

# 2013 UFO Challenge!

## This Challenge is different for each of us.

Some of us work. Some are retired. We are wives, moms, daughters, sisters, grandmas, friends. There are vacations, retreats, and gardens,

Look at your lifestyle and figure out how much time and when you can work on your UFO's. Plan it.

- 30 min a day, 5 days a week, adds up to 10 hrs a month
- 4 hrs, 1 day a week adds up to 16 hours a month
- One "sit and sew" day a month, with us or with friends can give you 8 hours a month
- If you can sew 3, 6hr days a week, that adds up to about 72 hours a month

What can you get done in that time frame?

Do a little more in the winter, so you have more time for other things in the summer.

Pick out a few projects that can be used for gifts or Charity.

If you like to take classes, BOMs, etc you need to leave time to do those things too.

It is a Challenge!! But I want you each to succeed. So... Don't over challenge! Break up a big quilt into several months, or combine several small projects into one month.
